FLOOR TILES
300X300MM

The background is a dark grey or black surface with intricate, light grey geometric patterns. On the left, there are several overlapping, slightly offset rectangular outlines that create a sense of depth and movement. On the right, a series of concentric, slightly irregular circles or spirals are formed by thin lines, also creating a sense of depth. In the bottom right corner, there is a more complex pattern of intersecting lines that form a series of nested, rounded rectangular shapes. The overall effect is a modern, architectural, and abstract design.
